## THE SMOQUE BBQ STORY

Smoque BBQ was created by five regular guys who are passionate about food in general and BBQ in particular. We set out to open a BBQ place that stressed regional styles, quality ingredients, authentic methods of preparation, and attention to detail.

Since opening in late 2006, Smoque has won a large and loyal following of BBQ devotees from all over Chicagoland and around the country. Smoque has also attracted interest and praise from media outlets as diverse as Gourmet Magazine, The New York Times, ABC 7 Chicago's Hungry Hound, and The Food Network.

All along, we've worked hard to do things the right way. We match each cut of meat with the right rub, wood smoke, sauce, and cooking technique. Our proprietary sauces and rubs are lovingly crafted from scratch in our own kitchen. The same is true of our sides. It's a lot more work to do things this way, but we think the results are worth it.
