

SANDWICHES & PLATTERS

BRISKET: After about 10-12 hours in the smoker, our brisket is moist and tender. The deep, rich smoke flavor is complemented by a 2-layer spice rub.

PULLED PORK: We smoke our pork shoulders for over 12 hours and pull them by hand for the ideal mix of crusty, smoky meat from the outside and tender, juicy meat from the inside.

CHICKEN: Don't let the pink, juicy meat scare you. We promise our chicken is fully cooked. In fact, these yardbirds have been smoked for three hours, which is what gives the meat that color, flavor, and juiciness.

TEXAS SAUSAGE: Made for us by Rudy Mikeska's BBQ in Taylor, Texas, these links are complex and balanced in flavor with a soft and lingering peppery finish.

RIB DINNERS

We use a Memphis-style dry rub to form a savory crust, and smoke our slabs over oak and sweet apple wood. Then we finish them with a tangy, semi-sweet BBQ sauce to complement the spicy rub and smoky meat. Baby Backs are a sweet tasting and lean rib, while St. Louis ribs are a bit fattier and meatier with a distinct pork flavor.

THE SMOQUE BBQ STORY

Smoque BBQ was created by five regular guys who are passionate about food in general and BBQ in particular. We set out to open a BBQ place that stressed regional styles, quality ingredients, authentic methods of preparation, and attention to detail.

Since opening in late 2006, Smoque has won a large and loyal following of BBQ devotees from all over Chicagoland and around the country. Smoque has also attracted interest and praise from media outlets as diverse as Gourmet Magazine, The New York Times, ABC 7 Chicago's Hungry Hound, and The Food Network.

All along, we've worked hard to do things the right way. We match each cut of meat with the right rub, wood smoke, sauce, and cooking technique. Our proprietary sauces and rubs are lovingly crafted from scratch in our own kitchen. The same is true of our sides. It's a lot more work to do things this way, but we think the results are worth it.
